

# Nathan Trotter

Trusted for Over 200 Years

## Quality Non-Ferrous Metals and Alloys since 1789

In 1789, Nathan Trotter, a Philadelphia metals merchant, founded his business on the banks of the Delaware River. Today, Nathan Trotter & Co. is the oldest continually operated metals manufacturer/distributor in the United States.

Over the last 225 years, the company has evolved into the premier source for tin and tin alloys, anodes, babbitt metal, pewter alloys, solders and other non-ferrous metal products. Operating from our 35,000 square foot manufacturing facility located in Pennsylvania, Nathan Trotter produces and ships over 2 million pounds per month. Consistency is assured by way of our extensive ISO quality system and laboratory.

**We are steadfast in preserving the enduring values that Nathan Trotter & Co. was founded on: high quality products, exceptional service and industry-best pricing.**

In an effort to improve the sustainability of our metals, Nathan Trotter established the recycling division, Tin Technology and Refining in 2013. Located in nearby West Chester, PA, Tin Tech's modern DEP-permitted facility provides our customers with maximum value for their tin-based drosses and by-products. As we continue to support the growth and success of our customers, Nathan Trotter offers a proven record for stability and reliability. We are confident that our time-honored values, our continuous pursuit of innovation, and our commitment to "partner" with our customers can earn us your business.

Please contact us directly if you have any questions or to obtain a price quotation. We will provide you with the dependable service that has characterized Nathan Trotter & Company for more than two centuries.

### Metals

#### Solders

- Lead-Free Alloys
- Tin/Lead Alloys
- Bar and Solid Wire

#### Pure Tin Anodes

- Bars - Cast & Extruded
- Balls - All Diameters
- Nuggets/Chunks
- Waffles
- Stars - 12 & 16 Point
- Ovals
- D-Shaped

#### Babbitt Alloys, All Grades

- Bars
- Ingots
- Wire

#### Electrolytic and Sulfurized Nickel

- Nickel Squares
- Rolled - Depolarized
- Xstrata D Crowns/Crowns

#### Cast Tin

- Bars
- Ingots
- Pigs
- Shot
- Mossy

#### Extruded Products

- Anodes
- Meter Bar
- Rods

#### Pewter Alloys

- Fine Pewters
- Casting Alloys
- Jewelry Alloys

#### Additional Metals

- Antimony Slab/Shot
- Bismuth Shot/Slab
- Copper Chops/Shot
- Lead Ingot/Shot
- Nickel Anodes
- Silver Anodes/Shot
- Tin Chemicals
- Zinc Balls/Ingot
